

September 16, 2016

9:00-4:00 - Registration begins at 8:15!

FPHA

Florida Public Health Association

Northwest FL Regional Meeting

Strengthening Primary Care and Public Health Collaboration for a Healthier Florida

This conference will focus on the rich potential when public health and primary care work together to improve the health of diverse communities across Florida. The opening plenary session, “**Joining Forces to Achieve Health Equity**”, will be followed by plenary sessions and break-out groups with interactive discussions and best practice examples of how healthcare and public health can be combined to achieve optimal health outcomes for all. Breakout sessions will focus on specific application to maternal-child health, infectious disease, mental/behavioral health and chronic disease.

Location: Durell Peaden Auditorium, FSU College of Medicine, Tallahassee, FL

Register online: www.fpha.org

Registration deadline: September 12, 2016

On site registration will be available
